Stone Coasters

Each of these matt-finish stone coasters measures 10x10cm and is rubber-backed to protect your surfaces from scratches and ring marks. These coasters are manufactured from natural stone and therefore contain unique surface variations which create an aged and rustic look. The coarse textured edges and corners are intentional, and should not be considered a defect.

1189 Miniature Display Easels

Make your in-store coaster display more attractive with a 15cm easel to hold coasters upright and visible.

Mugs

Made from new bone china with illustration also applied to the handle and inside of the mug. They are microwave and dishwasher safe. Capacity 400ml. Gift boxed.
