Submariner Sweaters

Admiralty-issue to the Royal Navy in both world wars, thick wool sweaters like these are every bit as suitable for today's sailors and those who like to keep the waves beneath them. They combine the warmth, comfort and rugged durability of pure Merino wool, whilst the neck and shoulder seams are interlinked for strength. Sizes, relating to chest size, give a loose (but not baggy) fit. S(40"/100cm), M(42"/105cm), L(44"/110cm), XL(46"/115cm), XXL(48"/120cm), XXXL(50"/125cm).
