Versatile OctoGrip™ Gloves

Antifouling, grinding, lifting, fibre glassing, carpentry, rope work, engineering… Many jobs call for hand protection, but most protective gloves on the market are cheaply made and poorly fitting - making it difficult to grip things safely or work comfortably all day. The American-designed OctoGrip™ range are in a different league – snug fitting, they're comfortable and highly dextrous, meaning you can use them for a variety of tasks. They also feature highly grippy textured palm coatings to ensure a secure grip on your work, wet or dry, yet so tactile you can even write with them on. A choice of five versions are available, to suit your customers' specific needs. All are tough and long lasting, lightweight, and breathable, and are supplied on smart Euroslot header cards.

Waterproof Glove

This waterproof glove is fully waterproof, having been double coated, so is perfect for those tough and nasty jobs in the boatyard or on board - keeping your hands warm and dry, and able to grip objects safely.

Sell More Gloves!

You will sell more OctoGrip gloves when you are able to fully explain their benefits, and demonstrate why they are far superior to other gloves on the market. These smart display stands incorporate a video to explain the range, uses, and features, and will help you sell them. They're FREE when you buy the stock – either select your own range, or opt for one of our easy starter packs.
