Coast Range

Coast never stop innovating and are now producing torches with features and performance that would have been unheard of just a year or two ago, especially at these prices. Products launched in the last year demonstrate a huge step up in brightness as well as innovations such as voice control (see 5469 on page 89), and *Power iQ* battery life screen (right), that help you work efficiently or enjoy your time outdoors safely at night. Most of the range is now rechargeable, and Coast's new USB-charging batteries (see page 91) mean you can easily convert those that aren't.

Waterproof Torches with Focusing Beam

The all-new GX series torches are made from a tough fibreglass core with a rubber overmould that makes them waterproof, dustproof, and easy to grip. So if you need a torch you can depend on in the toughest conditions, the GX range is for you. They also offer fingertip focusing optics for flood-to-spot beam adjtment. IP67 rated.

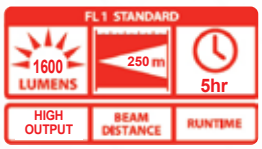

5463 GX10 Torch. 360 lumens (550 lumens on turbo mode). 18hr run time. 13cm. Uses 3xAAA batteries.

5464 GX40R Torch. 1,600 lumens (3,000 lumens on turbo mode). Rechargeable, with power out and battery life indicator. 27hr run time. 19cm.

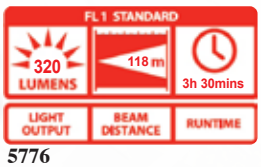

Coast PolySteel Waterproof Torches

Coast's PolySteel range combines a tough stainless-steel core with a lightweight textured polyresin coating. The result - a light and super-tough torch which will withstand crushing, impacts (tested with a 3m drop onto concrete), water (waterproof to 3m), heat, and dust. Lifetime warranty.

5776 Coast PS200 Waterproof Torch. Uses 3x AAA batteries. 13cm.
5777 Coast PS400 Waterproof Torch. Uses 4x AAA batteries. 15cm.
5778 Coast PS600 Waterproof Torch. Uses 4x AA batteries. 20cm.
