Powerful Rechargeable Keyring Torch

Not just a novelty, this keyring torch is seriously bright – 380 lumens on the highest of three settings – and dependable in everyday use or an emergency. And it's rechargeable too – lasting up to 6.5 hours per charge, and even has a built-in indicator to give you an idea of how much power you have left. Measures 6cm long and includes USB charging cable.

Coast G19 Torch

The G19 torch is only 10cm long, but produces a powerful tightly-focused 'inspection' beam from its super-tough water-resistant aluminium housing. Uses 1xAAA battery (supplied) which lasts up to 2:30hrs.

Coast G4 Keyring Torch

Despite being only 6cm in length, the G4 punches above its weight with an 19 lumen pure white beam, aircraft-grade aluminium barrel, and build quality that is just as robust as its larger brothers. Uses 4xAG5 batteries (included).

Coast EAL30R Rechargeable Lantern

A rugged and dependable lantern, rated IP54 for water and dust resistance, Coast's EAL30R will provide up to 15hrs of 360-degree illumination on the lowest of its 3 settings - sufficient for about two nights and perfectly bright enough for most uses. When you need more power, the high-intensity setting delivers 1000 lumens; and there are options for static red and flashing red light too. The power switch incorporates a battery life indicator so you can see how long you have left and, when it's time to recharge, you'll find the USB-C cable conveniently stored in the cap. As a back-up, you can still use four of the widely-available AA batteries. You can even use the lantern as a power bank, thanks to the USB-out socket that will recharge your phone or other devices. Measures 21cm tall. 5-year warranty.
