Limit Watches

Limit were established in 1912, and now we are distributors for their range of superb value watches. Offering a variety of styles, the collection features analogue and digital movements, with classic, modern, and sports designs. Nicely packaged, with keen price-points, we have found them to be great impulse purchases and gift ideas that sell particularly well when placed near the till point.

Limit Pilot Watch

Inspired by the design of aircraft navigation dials, these superb value watches borrow the styling of the classic pilot's watch - in which simplicity and ease of reading, day or night, was key. Large, luminous hands are set against a clear contrasting face, and there is also a day/date function. Case diameter 43mm. Gift Boxed.

Limit Aviator Watch

Designed to look like the dials of vintage aircraft instruments, this retro-style watch has a matte black dial with contrasting hands and numerals, in which the minute indicators are more prominent than the hours. A date indicator completes the face, and it's housed in a 46mm antique-effect alloy case with scratch resistant mineral glass and black PU strap. Water resistant to 50m and supplied gift boxed.
