Limit Super-lightweight Sports Watch

This super-lightweight (only 22g!) sports watch has a case diameter of 33mm, so is ideal for ladies or those who don't like their watches too chunky. Black hands on a white face offer good clarity, and can be read at night thanks to the backlight function. A sporty grey PU case/strap completes the sporty look, and is water resistant to 100m. 2-year guarantee. Gift boxed.
